

DVDANCE
DIAMOND VALLEY DANCE ACADEMY

COVID SAFE POLICY

for Students and DVDance Families

Upon entering our building, we ask that you adhere to our COVID Safe Policy:

- Please drop off your child at our front door and our Team will welcome them into the premises.
- Parents of Little Stars are welcome to enter the studio, but we do ask that only one adult per child attends. If you are able to leave your child in our care, it is then preferable for you to wait outside or in your car for the duration of the class.
- Little Stars Parents who enter the studio are asked to sign in using the QR Code at the front door. Simply open your camera on your phone and hover over the QR code or download a free QR code scanning app. Once you have logged into the from using the QR code, please enter your name, sign in and your phone number. Please repeat the process when you leave. Parents who attend our premises are also asked to download the COVIDSafe app and have it on/open when in the premises. There will be minimal chairs available for waiting/watching and we do ask you to adhere to social distancing requirements as much as possible.
- Please ensure that students (and any LS parents entering the building) use hand sanitiser available at the front door before entering (if any allergies to sanitiser, please ensure hands have been washed before attending studios, or BYO).
- Students are asked to come to the studio already dressed and ready to go if possible.
- No sharing of food on Studio premises.
- We ask that students please go to the toilet before they leave home. Our bathroom will be available but we would prefer to limit its use. Students will be reminded to wash their hands thoroughly once finished. Our bathroom will be cleaned between uses.
- Please ensure that students bring a full water bottle with their name clearly marked. Our water cooler will not be available for use.
- Please wait outside in our designated "pick up area" for children to be picked up - one of our Team members will escort children out to you. Secondary school age children are welcome to meet you in the carpark as per your personal arrangements.
- Please DO NOT send your child or attend our premises if unwell.
- It is imperative that you drop off and pick your child up at the designated start and finish times so that we avoid any confusion and extra people in the premises than we are allowed to have.
- All uniform purchases and fittings to be booked in using our booking service, Calendly.
- Stretch and Strengthen Classes and DVDanceFIT students to bring own mats if you have them.
- No make up classes given for non attendance due to being unwell/away. Students will be sent videos of their class work to do at home via Movitae

Thankyou!
